Certification manager
SGS INTRON Certification

Hereby is being declared that:

Heidelberg Materials Jambes Béton

Chaussée de Liège 563, 5100 Namur (Jambes), Belgium

has been assessed according to:

**Concrete Sustainability Council (2022)
(CO2-Module) (Global) 2.1 English**

SSGS has determined that at the time of the assessment all requirements as set out in the Concrete Sustainability Council RSS are being applied by the certificate holder. The evidence provided by the certificate holder has been assessed and found to be in accordance with the applicable regulations.

This certificate remains valid without interim supervision for a period of 3 years as long as the conditions as stated in the Concrete Sustainability Council RSS, as well as the procedures and methods applied by the certificate holder, do not change significantly.
